April 2024

March was an exceptionally busy month in school, with Years 1, 2, 4 and Reception attending educational visits, having the pleasure of hosting Ash, the Football Freestyler, World Book Day, our Spring Sing, the Farm Boy production, Rock Steady performances and our Easter fair. Undoubtedly, the Spring Sing was a highlight, serving as a sensational conclusion to the spring term. Our children invested considerable effort into mastering their songs and refining their poems.

We hope you have had a wonderful Easter and spent lots of time with your families ready to begin the summer term. We look forward to seeing you all again on Monday, 8th April!
